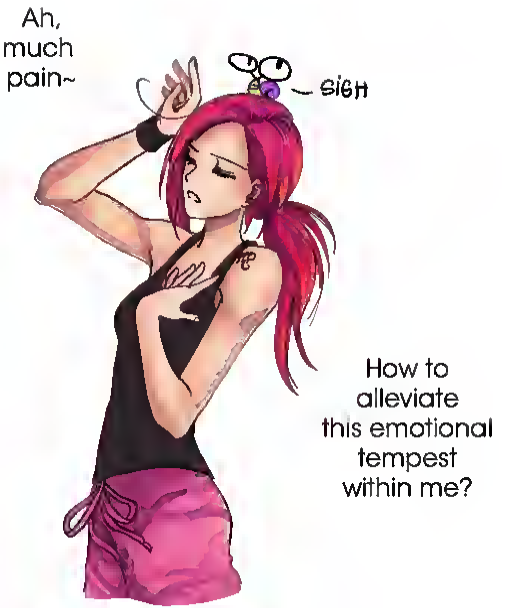
The Painter

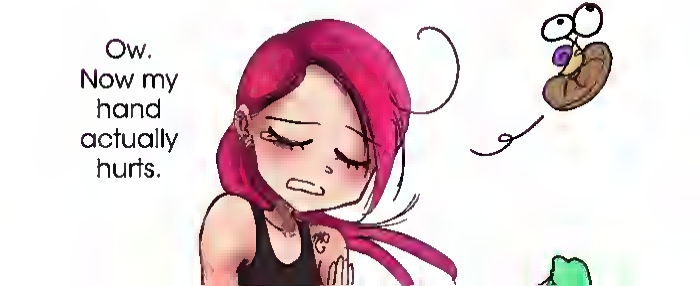


Ah,
much
pain~
sigh
How to
alleviate
this emotional
tempest
within me?

Oh,
I know.

SPLATT

SPLAT
SPLAT



Ow.
Now my
hand
actually
hurts.

Oh
well.

Y'all keep wild life in the crib*?
Just a painter in its natural habitat.
Ow. Huehue ow. Huehuehue

Naw I knaw why same artists are called painters.

They paint their ematianal pain until physical pain persists and they continue painting anyways.
